

3DAHM 2024 Montevideo URUGUAY 3-6 December 2024

3DAHM 2024 OUT OF THE LAB LAST MINUTE POSTERS

18th International Symposium on 3D Analysis of Human Movement
in Uruguay, Latin America, December 2024

Last minute results & findings can be shared sending a LAST MINUTE POSTER before Oct. 20

As it usually happens in Science, results may suddenly come to the attention at unexpected times, such as the weeks prior to a Congress where they would belong, except for a deadline !

For this reason and a score of others, 3DAHM2024 Committee decided to open a special 3 weeks last minute “out of the lab” results call to be reviewed and eventually exhibited as posters.

Gather those interesting notes and results, organize them into a 250 words abstract, plan to come to 3DAHM2024 & submit normally at the [EASYCHAIR platform](#). If accepted, hurry, pack & prepare to show them at 3DAHM2024 in Montevideo. Your colleagues & friends will be happy to meet

Last minute “out of the lab” poster authors can in addition benefit from the early bird registration rate and can sign up for the Monday courses and/or the cultural/scientific activities prior or post 3DAHM2024.

Posters will be displayed at 3DAHM2024 for discussion with attendees on research in detail.

More information, submission guidelines, templates & registration, visiting www.3dahm2024.com

We look forward to your participation at 3DAHM 2024 in Montevideo, Uruguay,

Sincerely,

[3DAHM2024 Organizing Committee]

September 27, 2024

3DAHM is a Technical Group of ISB International Society of Biomechanics
