# 3DAHM 2024 INSTRUCTIONS for AUTHORS

International Symposium on 3D Analysis of Human Movement  
in Uruguay, Latin America, December 2024

**At the Symposium:** the oral presentations schedule is tight therefore, we kindly ask you to stick to the scheduled time. Presentation authors should reach the conference room well before the beginning of their session. A windows PC will be available for uploading your presentation in ppt or pdf from a pendrive. The time assigned to oral presentation is 12 minutes, with room for a short question and answer. Chairmen of the sessions will check the time and emit a first signal at 10 minutes and ask to close after 12 minutes.

**Poster presentations** are either assigned to Poster Session A or Session B. An A1 size (59 x 84 cm) poster template is available at [www.3dahm2024.com](http://www.3dahm2024.com). Please make sure your poster is hung at least one hour before the Poster Session (either A or B) starts because juries will act before general public is admitted.

The general program is available at [www.3dahm2024.com](http://www.3dahm2024.com) where the detailed program will also be available. Please check your session date & time. Should there be any problem, please contact Natalia Garay, the program chair at [3dahm2024@gmail.com](mailto:3dahm2024@gmail.com). We all hope you will enjoy your experience in Montevideo!
